

# Kokusai High PTA Circles

The Culture Committee supports PTA circle activities for parents/guardians of current students and graduates. Currently four circles are independently planned and operated. Right now each circle operates on a 1,000-yen per meeting participation fee and friendships are nourished among individuals connected with Kokusai High. Anyone interested is welcome to contact the Culture Committee member for your class, or contact us in general at the Culture Committee e-mail address: [bunka@toritsu-kokusai-pta.com](mailto:bunka@toritsu-kokusai-pta.com). (The Culture Committee is the pipeline for any group desiring to begin a new circle.)
