

Invitation to Kokusai High School PTA-OP Society

March 2010

PTA Members of Children Graduating from Kokusai High School

Dear Members,

We very much appreciate your earnest activities during the three years (or more) your child(ren) have been in Kokusai High School. Since Kokusai High School was founded, the PTA has been very active. We suppose everyone has various experiences communicating with students and thinking about what activities would be ideal for the school.

It would be regretful if those experiences and memories simply come to an end. We have discussed the possibility of creating an opportunity for members of the PTA to meet and talk periodically, and consider how to support school activities somehow. As a result, the PTA-OP Society was formed in 2003 as a type of PTA alumni reunion.

As the PTA reunions have not been being held for very long yet, the activities are still undergoing trial and error. These reunion-like activities provide us the opportunity to meet twice a year. A general meeting and an exchange meeting are held in addition to Ofu-sai in September. Please feel free to join us. Everyone is welcome!
